Why are you doing this?

Scouting often looks at how we can make it easier for leaders and young people but we often overlook what some would argue are the most important people who support the young people “the parents and carers”. We would like to introduce a hassle free badge service to make it easier for parents and carers who struggle to keep up with badges.

What happen to the money?

We donate to the people sewing the badges 0.50p per badge which either goes to them or towards the Parish Hall fundraising.

If you are interested in sewing badges for charity please email me: gsl_mbscouts@outlook.com

What if I am not satisfied?

If we cannot get to an amicable solution then please provide the uniform to the Group Scout Leader who will arrange for the badges to be removed and £10 donation for the current term will be fully refunded if requested.
